Lauren:

This will confirm our conversation on September 13, 2013, that PixArt Imaging (U.S.A.), Inc. does not have possession, custody or control of the documents requested in the January subpoena. Therefore, PixArt has not produced any documents in response to the subpoena.

With respect to the deposition subpoena served on PixArt Imaging (U.S.A.) on September 12, 2013, I enclose PixArt Imaging (U.S.A.)'s objections to the subpoena and the topics identified therein. Please note that my client has no information pertaining to the deposition subpoena topics. We respectfully request that you withdraw the deposition subpoena upon receipt of this email. If you do not withdraw it, or at a minimum agree that no appearance is necessary, we will file a motion to quash and seek appropriate fees and costs.

If you want to discuss the subpoena any further, please do not hesitate to give me a call.

Regards,
Duane

Duane:

Thanks again for agreeing to speak with us last week regarding Round Rock's subpoena to Pixart USA.

Please confirm whether it is Pixart USA's position that Pixart USA does not have access to any documents relating to Pixart's image sensor: PAS6311LT, as requested by the subpoena.

Please let us know Pixart USA's position as soon as possible, but no later than next Wednesday, September 25, 2013.

Thanks very much,
Lauren
